Richard Wright : A Vacationer's Guide to Rural New England Bookstores before purchasing it in order to gage whether or not it would be worth my time, and all praised A Vacationer's Guide to Rural New England Bookstores:

2 of 2 people found the following review helpful. Great Gift!By LisaI received the book "A Vacationer's Guide to Rural New England Bookstores" as a Christmas gift. I was immediately impressed by how much detail there was about the independent and used bookstores in the area. In fact, I was so impressed that I bought a copy to give to a friend as a birthday present. I knew of a lot of local bookstores but not as many as Mr Wright included in the guide.

The book was fun to read and it will definitely be useful in the months ahead to find places to buy a book when my family and I travel in the summer months. I think it would have been better to include an index in the back with the bookstores listed alphabetically; that way, you could look them up quicker. Overall, the book is well written and a great guide for those living in or visiting New England. 1 of 1 people found the following review helpful. Great Guide to Find New England Bookstores By SBB123A Vacationers Guide to Rural New England Bookstores works just as well for locals as for out of town visitors. I didn't know about a lot of the bookstores listed in the guide. Some were close to my home, but I had never visited. Now, I know where they are and I plan to make some trips this summer. The guide gives the address, website and phone number so everything is easy to find. It even has an illustration of each shop to show what the store looks like.

Book lovers planning a vacation in New England now have a Guide to finding the best independent and used books shops near their favorite destinations. The Guide makes it easy to find a local book shop for a memento of your trip or something for a lazy beach-day or rainy-day read. And for the book collector, the used, rare and antiquarian book shops are listed with descriptions of their specialties. The Guide is divided into three sections: Full-Service Independent Bookstores, Used-Rare Book Shops, and One-Day Bookstore-Tours, which are Author Richard Wright's solution for an alternate plan on a rainy day. Even local readers will be delighted to learn about bookstores that are nearby and as yet undiscovered.
