Gertrude Bell : A Woman in Arabia: The Writings of the Queen of the Desert (Penguin Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Woman in Arabia: The Writings of the Queen of the Desert (Penguin Classics):

4 of 4 people found the following review helpful. Make a movie!!By Michael JeanAn intriguing tale of a phenomenal woman who helped shape modern middle eastern politics. What a shame she is not better known in the west. Should be on every history buff's bookshelve. Should make for a movie to rival "Lawrence of Arabia".1 of 1 people found the following review helpful. MARVELOUSLY DISCRIPTIVEBy Elena Wulfke-VassiliouMAEVELOUSLY DISCRIPTIVE....A WINDOW TO A WORLD WE Will NEVER WITNESS RECORDED BY A WOMAN UNIQUE OF HER GENERATION.0 of 0 people found the following review helpful. Great Companion to the movieBy HappyDetails in this book are a wonderful companion to the Nicole Kidman movie, "Queen of the Desert."

A portrait in her own words of the female Lawrence of Arabia, the subject of the documentary Letters from Baghdad, voiced by Tilda Swinton, and the major motion picture Queen of the Desert, starring Nicole Kidman, James Franco, Damian Lewis, and Robert Pattinson and directed by Werner HerzogGertrude Bell was leaning in 100 years before Sheryl Sandberg. One of the great woman adventurers of the twentieth century, she turned her back on Victorian society to study at Oxford and travel the world, and became the chief architect of British policy in the Middle East after World War I. Mountaineer, archaeologist, Arabist, writer, poet, linguist, and spy, she dedicated her life to championing the Arab cause and was instrumental in drawing the borders that define todays Middle East. As she wrote in one of her letters, Its a bore being a woman when you are in Arabia. Forthright and spirited, opinionated and playful, and deeply instructive about the Arab world, this volume brings together Bells letters, military dispatches, diary entries, and travel writings to offer an intimate look at a woman who shaped nations.For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
