I love keeping up with my car and documenting everything I ...By fp3I got this book after my dad showed it to me, I love keeping up with my car and documenting everything I do and this book is perfect. Has just enough room to leave notes, everything is laid out nice. You can use this book to keep track of trips, fuel mileage, maintenance, and there is even room to make yearly summaries in the back of the book. Overall I would buy this book for any car I own to keep track of anything.0 of 0 people found the following review helpful. Compact, sturdy hardback auto log, for fuel/service/trips, very nice and economical.By Elizabeth GSmall

compact, but hardback and sturdy for years of use, includes sections for oil/fuel; servicing; trip log information--very nice, and I'm a repeat "Peter Paulper Press" customer, recommend both product and seller. 0 of 0 people found the following review helpful. great small auto companion By Dereknice book to accompany car. logs maintenance, gas, trips, etc. exactly what i was looking for, small and compact, and a good price. would recommend to anyone looking to stay organized. like it a lot.
