Jennifer Durbin : Baby Traveling Tips for The Clueless Chick before purchasing it in order to gage whether or not it would be worth my time, and all praised Baby Traveling Tips for The Clueless Chick:

0 of 0 people found the following review helpful. Good for a first time parent, eh for the rest of usBy TeeI suspect if you are a first time mother you will get more from this book. If this is your second (or more) child, all this will be old hat. Though she does give some good websites, most of her tips were pretty much common sense.0 of 0 people found the following review helpful. Great helpBy Gwen SibertI wish I had had this information years ago when I was doing a lot of traveling with two small children. I've started giving the set of books to friends who are newly pregnant .0 of 0 people found the following review helpful. Another great practical guide for new moms!By BabyWeightLadyI think many new moms are afraid to travel with their small children, so they really don't much. I have seen that a lot with friends. I do travel a lot with my kids and I WISH I'd had this book when my first was little. But even now it's given me several useful tips on how to make life easier and do what you want to do, keeping everyone happy(ish) along the way. I bought the whole series of books at a baby shower event and I love the other two as much as this one. They are all really well written and full of practical info. I will buy the set for several pregnant friends now!

Clueless about traveling with your baby? Look no further! Baby Traveling Tips for The Clueless Chick is a quick-start guide that will answer all of your questions about traveling with a baby. This baby travel guide will give you the tips and tricks you need to pack for a trip to the pediatrician's or to Paris! Baby Traveling Tips for The Clueless Chick will guide you through questions like... -How do I pack a diaper bag? -What do I pack for a day trip/week at Grandma's? -How do I survive a plane ride or long car trip? -What do I need to feed my baby on the go? -How do I plan a trip without my baby? -What do I need to know about traveling internationally? -What travel gear can I not live without? ...and much more. Whether you are searching for the perfect diaper bag or preparing for a month abroad, sit back, relax, and enjoy as Baby Traveling Tips for The Clueless Chick uncomplicates your life.

About the Author Jennifer Durbin is a Type A/OCD overachiever who is obsessed with over-researching everything. Jennifer has turned her expertise in cutting through the noise and making research palatable into the Tips for The Clueless Chick series, life's contemporary CliffsNotes for the modern woman. Jennifer received her MBA from Kenan-Flagler Business School, has a successful career in Information Security and runs a popular Event Design business in Raleigh, NC where she lives with her husband and two small children. Jennifer created The Clueless Chick in her spare time to un-complicate women's lives.
