Corinne Hofmann : Back from Africa before purchasing it in order to gage whether or not it would be worth my time, and all praised Back from Africa:

0 of 0 people found the following review helpful. A good follow up of the White MasaiBy Marek WrobelHaving finished 'The white Masai' I went on to read this book immediately and no regrets either. This is an interesting follow up of the previous story giving a bit of the off-stage, in the making background to the African story of Corinne. Definitely needs to be read after you've read 'the white Masai'.1 of 1 people found the following review helpful.

Enjoyed the book
By Diane Hamilton
I wanted to find out what happened when Corinne and her daughter returned to Europe. It was an interesting read. I came across *The White Masai* by accident at an airport and since I had been to Africa and visited a Masai village while on a safari I was interested. I devoured the first book and looked forward to the sequel. This also was fascinating finding out how they adapted to our modern ways. I find it fascinating looking at primitive societies and their happiness contrasted to our modern world with all our stress.

By Eileen Partridge
Great book!

After enthralling readers around the world with her incredible story of falling in love with and marrying the Masai warrior Lketinga and living with his family and their daughter in Kenya, Corinne Hoffmann recounts her return to Switzerland and the difficulties she faced. This frank and revealing memoir details how she built a new life for herself and her daughter while overcoming all obstacles with the same courage and optimism she employed in her life in the Kenyan outback. Once again, Hoffmann proves herself to be an acute observer and an effective storyteller, and her astonishing and compelling tale will captivate fans new and old.

What an amazing story! One of the bravest and most vivid I've read in years, I'm not surprised it's a bestseller' - Deborah Moggach on *The White Masai*
About the Author
Corinne Hofmann achieved international fame with *The White Masai*, which details the extraordinary story of her life with a Masai warrior in Kenya. A major motion picture followed and the book went on to sell over six million copies worldwide. Arcadia Books has also published two sequels: *Reunion in Barsaloi* and *Back from Africa*. Corinne Hofmann lives in Switzerland. For more information, please visit www.massai.ch.
