2 of 2 people found the following review helpful. Excellent value! Told us all we needed to know. By Kathryn James This excellent book provides clear and interesting details of all areas of Great Britain. What we really liked was that it answered all the questions we had about what each area had to offer, how long the suggested tours would take and places to stay and eat defined by price and each with a clear explanation. We have recommended the book to

friends who are also going to visit Great Britain and are interested in visiting the rural areas and cities. 0 of 0 people found the following review helpful.
