The best book to buy for backpacking in Denali.By earthsong@mail.denali.k12.ak.usI met the author and his wife during my visit to Denali National Park last summer. They recently built a wonderful lodge, EarthSong Lodge, in which they share natural history and help their guests plan hiking and backpacking trips. Wonderful place, and wonderful hosts. Highly recommend anyone going to Alaska to buy Jon's book and stay at EarthSong Lodge.

Wonderful condition. 100% satisfaction guaranteed.
