**Christopher Van Tilburg : Backcountry Ski Snowboard Routes Oregon** before purchasing it in order to gage whether or not it would be worth my time, and all praised Backcountry Ski Snowboard Routes Oregon:

0 of 0 people found the following review helpful. One of the best collections of PNW backcountry adventure locations I've found. By T. Redding Really excited to use this book almost year round! I wish that the whole book was organized based on best times of year to use and ability level rather than region! 2 of 2 people found the following review helpful. Short on Details By phillip I found the trail descriptions were too short on details. I do not use a guide and with only

topo maps more definitive information was needed.0 of 0 people found the following review helpful. Four StarsBy CustomerReally great clear and concise info.

\* Includes 120 black-and-white photos and 90 maps\* Coverage ranges from Lassen Peak up to Mount St. HelensThe first guidebook in a new Backcountry Ski Snowboard Series from Mountaineers Books, Backcountry Ski Snowboard Routes: Oregon describes nearly 100 of the best and most classic mountain routes that will exhilarate and challenge winter backcountry seekers. Although many of these routes are geared toward intermediate and expert skiers and boarders, there are also appropriate routes for those just getting into the backcountry for the first time. Full state coverage includes more than 30 routes on Mount Hood alone, and ranges across Mount Jefferson, the Three Sisters and Bend area, Willamette Pass and Mount Bailey, Crater Lake National Park, the southern Cascades, Steens, and the Wallowas and Blue Mountains regions. There are also classic routes just over the borders -- Mount Shasta and Lassen Peak in Northern California and Mount St. Helens, Mount Adams, and Muir Snowfield in Washington. Many of these routes are selected for their straightforward approaches. Sections describe avalanche safety, best resources, gear, Oregon backcountry laws, and routes by best season and skill level. This is a guidebook to get snowboarders and skiers out in the mountains for quality fun!

Forget buying a lift ticket. Spend \$19.95 for a new backcountry ski book and let it take you far from the madding crowds. --The OregonianAbout the AuthorAuthor Christopher Van Tilburg started skiing at age seven on Oregon's famed Mount Hood. An emergency and wilderness physician, Van Tilburg works as a mountain doctor at a ski resort. In addition to writing seven books, he serves as editor-in-chief for Wilderness Medicine magazine. A member of Crag Rats Mountain Rescue in Hood River, Oregon, he lives with his wife and two daughters in the Columbia River Gorge area.
