Peter Kick, Dori O'Connell : Backroad Bicycling in the Hudson Valley and Catskills (Backroad Bicycling)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroad Bicycling in the Hudson Valley and Catskills (Backroad Bicycling):

review helpful. Some good routes - poor technology
By Pete Salomone
I picked up this book to add to my routes in the Catskills. While it has some good routes, it misses others. The Catskills section comes up far short of the Litchfield Hills section of the Connecticut book. The statements about elevation mapping technology are at least misleading even in 2000. Google maps, Google earth, topo DVDs, and bicycle mapping websites provide a wealth of information on routes, elevations and terrain.
3 of 4 people found the following review helpful. Backroad Bicycling...Wonderful!!
By Backcountry Dan
It is clear to me that the authors have a real passion on top of knowledge of the "lay of the land" in the Hudson Valley. I would strongly recommend this book as it is easy to read and hugely informative.

Cycling rides on quieter, less-traveled roads and byways easily accessible from New York City. Renowned for sprawling rural townships, quaint agricultural villages, and tucked-away mountain hamlets, the Hudson Valley and Catskills regions are idyllic destinations for cycling. From the dramatic Hudson Highlands, through the little towns along the river that Henry Hudson called a great "Arm of the Sea," this guide will introduce you to the both the Hudson's gentler, scenic river routes as well as the hilly back roads of the Catskill, Shawangunk, and Taconic mountain ranges. Intriguing facts about the historical, cultural, and natural gems you'll find along each ride, detailed mile-by-mile directions, and clear maps guide you along you dozens of never-before described bike routes, many of which pass through recently-designated National Heritage Areas. 25 black-and-white photographs and 26 maps

About the Author
Peter Kick is a licensed hiking and paddling guide in the Catskills, Adirondacks, and Florida Everglades. He has authored several books on hiking and mountain biking including Backroad Bicycling in the Hudson Valley and Catskills, 25 Mountain Bike Tours in the Hudson Valley, 25 Mountain Bike Tours in the Adirondacks, and 25 Mountain Bike Tours in New Jersey. He lives in Saugerties, New York.
Dori O'Connell is an avid cyclist and cycle tour leader who designs and leads trips in such far-reaching places as the northwest Irish coast, Tuscany, and Montreal. She lives in the Hudson Valley town of Saugerties, New York.
