By maritimer purchased this in the hope that it would show me new trails etc on PEI that i was not aware of. unfortunately it offered little more than is available free thru PEI tourism. and while i knew it was somewhat out of date i was disappointed that some of the trails i knew existed at the time were not included. however it does have some good maps and some good notes on various trails etc so it was not a total loss

By N. Zimmerman This book is simply a wonderful aid in planning your travels, and a must to take along when you go!

This backroad mapbook is a complete road and recreation atlas for Nova Scotia. The book includes colour recreational

GPS-compatible maps, information on outdoor recreational opportunities available in the province, and detailed maps of cities and parks.
